**RENEWED PETITION UNDER 37 CFR 1.137(B)**

Dear Sir:

Applicant's July 20, 2004 Petition for revival was denied for incorrect status indicators for claims 5 and 19 (see December 20, 2004 Advisory Action). The decision from the Office of Petitions indicates that a reply with corrected claim statuses (Applicant's attached Revised Amendment After Final) and this Renewed Petition are sufficient to revive the application. A phone conversation with Examiner Cygan confirmed Applicant's understanding. The Revised Amendment After Final *prima facie* places the application in condition for allowance.

All required fees have been submitted previously, however, if any additional fees are due, the Commissioner is authorized to charge Deposit Account 50-1482 in the name of Carlson, Gaskey & Olds.

Respectfully submitted,

**CARLSON, GASKEY & OLDS**
